

Neptune Rum - Barbados Gold

Neptune Rum

1 x 700 ml

Product code: **7112600**

Description

Neptune Rum is distilled and aged at a family-owned Rum Distillery set on the southern end of the island of Barbados where the climate produces exceptional rum. Made from pure sugar cane molasses – no added sugar it is created in a mix of pot and column stills. Aged in bourbon oak casks for a distinct flavour profile, then cold filtered in a unique to Neptune process for a truly delicious taste and smoothed with a rare mineral water.

Tasting Notes

A blend of 8, 5 and 3 year old rum from Barbados. Exceptionally smooth, with nuances of apricot, banana and coconut overlaid with soft hints of honey and vanilla.

The Perfect Serve

Neptune Rum is the perfect rum for Sipping – Mixing – Cocktails. Sipping is easy, just over Ice with probably a slice of lime. For Mixing we recommend the old classic of Rum 'n' Ginger (Rum mixed with Fever Tree Ginger Ale). As a Cocktail for the more adventurous then try "Bajan In The Med" which is similar to a classic Manhattan – Neptune Rum, Sherry, Roots Mastiha Liqueur & Campari.

ABV: 40%

Type: Golden Rum

From: Barbados
